Social skills and competences

Ability to establish and maintain good working relations with people of different national and cultural backgrounds

Good abilities for synthetic and global views over concrete situations

Teamwork spirit

Problem-solving attitude

Responsibility, self-respect and self-reliance

Strong referential values of fairness, equity and dignity

Organisational skills and competences

My work experience, professional background and extra-professional activities have their roots in my

dedication toward social change, to the improvement of human life conditions and developing the societal mentalities in order to live together in a better society;

Several voluntary activities to which I committed gave me the opportunity to exercise, prove and improve my managerial abilities and my social skills as a very organized person with a problem-solving attitude.

Project writing, budgeting, logical framework design as well as reporting is a relevant experience I gained during my work within the Ngo sector under the supervision of the team leaders and professional consultancy agencies.

Computer skills and competences

Good command on Microsoft Office: Word, Excel, Power Point

Artistic skills and competences

Supplementary to my professional activities, I followed my artistic gifts in writing, being the author of several published and unpublished literary compositions addressing Kosovo towered European Union integration, inclusive education and disability issues.
